

# Cognitive and Educational Assessments for Schools

Cognitive and Educational Assessments are available through CatholicCare Victoria to assist with planning for educational and behavioural needs and for applications for funding support.

CatholicCare psychologists and provisional psychologists can administer cognitive assessments, including the most recent Wechsler Intelligence Scales for Children (WISC-V and WPPSI-IV). Adaptive assessment using the Vineland Adaptive Behaviour Scales (Vineland-3) is also available when applicable.

Other investigative behavioural checklists and assessments may also be suggested if appropriate. Assessment cost is currently \$610 and is billed on completion of assessment report and feedback.

✓ Assessment conducted on site at your school

✓ Comprehensive written report included

✓ Verbal feedback session for teachers and parents included
