About CatholicCare Victoria

CatholicCare Victoria is a leading and influential provider of charitable and social services in Victoria. The *Mission* of CatholicCare Victoria is to build communities that recognise and nurture the dignity of each person. Our employees share our *Mission* for a stronger, more inclusive society through supporting individuals, families and communities in times of need, especially those who are most disadvantaged, vulnerable and/or marginalised.

CatholicCare Victoria delivers excellence in a broad range of child, family and youth services, family relationship services, school counselling and pastoral care services, social housing, employment and advocacy services across various office locations and delivery sites in Victoria.

CatholicCare Victoria draws on the principles of Catholic Social Teaching to inspire and direct our endeavours. We value and respect human dignity, and embrace diversity in an inclusive work environment.

About the Program/Section

CatholicCare Victoria's Community Wellbeing portfolio programs provide comprehensive, client focused services for individuals, couples, families, youth and children. Our services are informed by an approach that values human dignity and the belief that positive relationships lead to positive lives and wellbeing. The service design aims to ensure that our programs are inclusive, responsive to the needs of people, and operate at the highest levels of quality and professionalism. CatholicCare Victoria aims to address present and changing needs of our clients, advocate for change and equity, deliver creative and flexible services, and improve community access for all. Services are integrated and strengths-based.

The Family Mental Health Support Service program is provided within the Mental Health, Wellbeing and Early Years stream. Other programs include Mental Health Planned Respite and Housing-Mental Health Pathways.

Family Mental Health Support Service (FMHSS): This program provides flexible and responsive services for children and young people up to the age of 18. Staff work with the child/young person and their family to identify risk
