About CatholicCare Victoria

CatholicCare Victoria is a leading and influential provider of charitable and social services in Victoria. The *Mission* of CatholicCare Victoria is to build communities that recognise and nurture the dignity of each person. Our employees share our *Mission* for a stronger, more inclusive society through supporting individuals, families and communities in times of need, especially those who are most disadvantaged, vulnerable, marginalized and/or at risk.

CatholicCare Victoria delivers excellence in a broad range of child, family and youth services, family relationship services, school counselling and pastoral care services, social housing, employment and advocacy services across various office locations and delivery sites in Victoria.

CatholicCare Victoria draws on the principles of Catholic Social Teaching to inspire and direct our endeavours. We value and respect human dignity, and embrace diversity in an inclusive work environment.

About the Program/Section

CatholicCare Victoria's Therapeutic Residential Care programs offer accommodation and support to young people aged 12 to 18 years, who are referred through the Child Protection system.

CatholicCare Victoria operates one Therapeutic Residential Care 2-bed care home in the Central Highlands region in Ballarat; and two Therapeutic Residential Care 2-bed care homes in the Wimmera region, located in the Horsham area.

CatholicCare Victoria also operate a four-bed RP3 Complex Residential care home (based on a therapeutic model) in Central Highlands.

The Therapeutic Residential Care program provides a trauma informed and healing care environment for two young people (per Care home), who are subject to a statutory order or a Voluntary Child Care Arrangement.

Young people residing in the Therapeutic Residential Care home have experienced complex trauma including abuse, neglect, attachment disruptions, developmental trauma and separation from family, and may use pain-based behaviors that result in risk taking and challenging behaviors and dysregulation. CatholicCare Victoria's Behaviour Response and Therapeutic Support Framework supports healing from complex trauma through the creation of positive, safe, therapeutic relationships and reparative experiences with House Workers, informed by a demonstrated understanding of complex trauma, attachment disruption and development needs. Priority is placed on therapeutic and healing support and intervention, building and achieving education and vocational links and outcomes, and comprehensive and holistic transition planning in collaboration with young people, to transition to permanent living arrangements, including reunification with family and independent living.

The primary objective of CatholicCare Victoria's Therapeutic Residential Care program model is to:

- Provide safety and the highest quality therapeutic care to the child and young person.
- Achieve a child or young person's permanency objective (reunification, placed in a kinship or kith arrangement, supported to planned independence).
- Strengthen cultural identity and connection for all Aboriginal young people.

The model aims to support young people to stabilise their behaviour and build their future through a focus across the following five domains:

- Safety
- Managing Emotions
- Life Skills
- Education and Employment
- Identity and Connections

Position Summary

House Workers work as part of a core care team providing full-time quality care for the young people, using trauma informed, child centred, family focused therapeutic interventions. In collaboration with the Senior House Workers; Team Leader, Residential Care; Therapeutic Practitioner and Education/Vocation Specialist, House Workers establish a homelike, therapeutic, caring and nurturing environment to assist young people to develop a sense of safety, stability, security and trust.

House Workers work closely with the Senior House Worker and Therapeutic Practitioner to develop respectful and responsive levels of communication with other House Workers and professionals in a Care Team approach, and participate in relevant case conferencing as indicated to assess and develop goals in the young person's best interests.

The primary objectives of House Worker role are:

- Work collaboratively with the Care Team to facilitate and strengthen the young person's sense of identity and contribute to enhancing family relationships and/or reunification and facilitate the young person's access with natural and extended family members.
- Through goal directed, planned and integrated therapeutic interventions use all interactions as opportunities for therapeutic gain and positive engagement.
- Under the guidance of the Senior House Worker and Therapeutic Practitioner, address the therapeutic care needs of each young person within the Therapeutic Residential Care home.
- Ensuring that the young people's rights and interests are protected at all times and act as an effective role models.
