

CHILD SAFETY IS PARAMOUNT

CatholicCare is committed to child safety. Their wellbeing is our priority. We actively work to listen to, empower and protect children.

CatholicCare has zero tolerance of child abuse.

Our robust recruitment, screening and human resource management practices are strictly adhered to during the application and interviewing process. We carry out working with children, police records and reference checks to ensure that we are recruiting the right people.

CatholicCare has active supervision, support & training mechanisms in place to develop the skills and knowledge of our staff and volunteers and to monitor the behaviour and performance of all individuals working with children.

We continuously examine how we work so that we can identify risks to the safety of children and develop responses to reduce and eliminate risks.

Every State and Territory has enacted legislation which protects individuals who make reports about suspected child abuse in good faith. CatholicCare promotes confidential reporting that respects individual privacy while maintaining adequate record keeping of child safety issues.

CatholicCare welcomes your feedback and strongly encourages the reporting of any child safety concerns to management.
